

Increase your selling power with the
REVEAL™ mattress recommendation system.

Interested in increasing store performance?

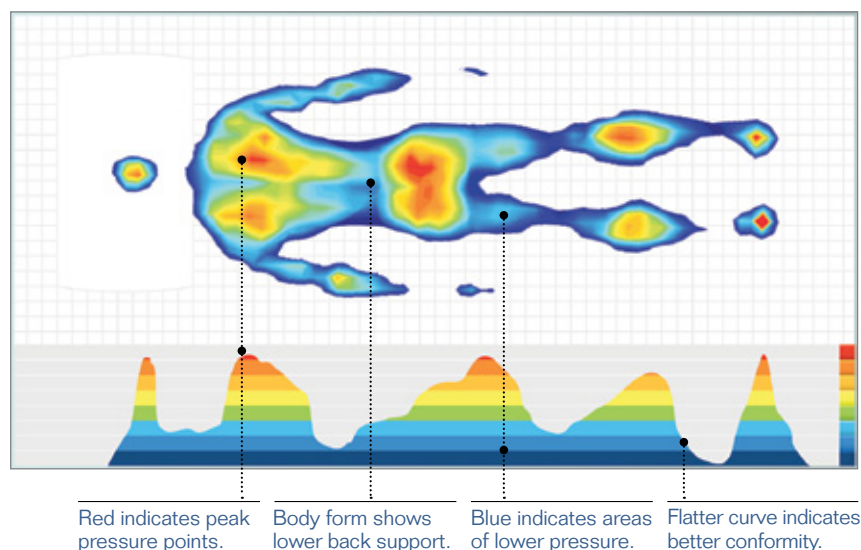

Use REVEAL™ Mattress Recommendation System

Pressure imaging technology designed exclusively for retailers to easily and quickly help their customers find the most comfortable and supportive mattress for their body.

REVEAL™ is the innovative technology that is changing the mattress buying experience and improving our clients' sales globally.

Created specifically for the retail market by pressure mapping innovator XSENSOR®, REVEAL™ uses the most advanced technology in the world to provide a highly accurate pressure imaging system that displays a dynamic, high-resolution body pressure image to assist in mattress recommendations.

The ComfortMap™ Measures Pressure Points

REVEAL™ measures and analyzes body surface pressures, and identifies pressure points that need to be relieved with the appropriate mattress.

***Use the comfort line to show where there are peaks in body pressure.**

Three Easy Steps

Simplicity and consistency: The three-step workflow is quick, easy to use and provides a consistent selling process that guides salespeople through the REVEAL™ experience.

Real-time insights and **unbiased recommendations** of an appropriate mattress category **helps customers be confident** that they have found the right mattress.

Select from 2 **REVEAL™** products that create different experiences for you and the customer.

The Educate Experience or the Compare Experience

Retailers can select the appropriate tool to best complement their sales process and there are several branding options available. REVEAL's durable design and construction is backed by the XSENSOR® Warranty and Support Guarantee.

Educate Experience

The kiosk

With the kiosk, salespeople can show the customer their body pressure map, and explain the importance of finding an appropriate mattress that will relieve the pressure points. The results screen can be customized.

The customer receives a recommendation on a mattress type to shop within.

Compare Experience

The mobile solution

This wireless system enables the customer to compare the comfort and support of multiple mattresses. The body pressure maps shows the customer which mattress alleviates the pressure points and is the best fit for their body and sleep style.

The customer receives a ranking for the tested mattresses, in a Good-Better-Best format.

REVEAL™ also provides custom branding options letting retailers create their own unique shopping experience.

Pure Reveal™

The pure path offers a true REVEAL™ branded experience in your store. In this relationship, the REVEAL™ brand is the only brand in the experience.
