

REVEAL[™] Reports

How do you know **REVEAL**[™] is working for you?

Track conversions before implementing the REVEAL[™] Mattress Recommendation System and see the results after. REVEAL Reports can ensure the successful launch and maintenance of your REVEAL[™] technology. It's also a great service to use for pilot programs — see how your sales staff are using REVEAL[™], fine-tune the sales process and increase your bottom line.

REVEAL[™] Reports track your usage of your **REVEAL**[™] system:

- Observe store performance through REVEAL[™] usage
- Reinforce the REVEAL[™] customer experience, and ensure the success of your pilot program.
- Monitor usage, by store and by sales person
- Track sales incentive programs tied to use of REVEAL[™].
- Track conversions correlated with the use of the system
- Analyze the effectiveness of advertising and promotional events by tracking increases in use of REVEAL[™]
- Improve staff training. REVEAL[™]'s Mattress Recommendation System already gives you a 3-step sales process, making staff training a breeze. With REVEAL[™] Tracking and Reporting, you can help to improve their sales process, supporting a successful sales career

REVEAL[™] Reports are available for any **REVEAL**[™] user.

Get daily, weekly or annual sales reports about your customers, sales staff and system usage. Know what's working – and what's not – with easy-to-read reports.
